

6' and 12' Posing Risers by GPS

Modular Risers come in 6 or 12 foot sections and 2 to 6 steps. They are stackable and can be combined to create any configuration of length or height. GPS Risers utilize a Quick Clamp design for ease and efficiency that will save you time at set-up. We also offer our original Econo Wing Nut design at a discount of 20%.

**Modular
Stackable
Choice of Rise
up to 18"**

11" is the standard Rise of our steps. 8, 14, 16 and 18" Rise heights are available for an additional cost of \$100 per order.

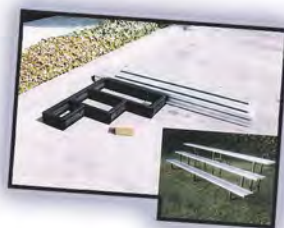

When torn down, 12' planks fold in half and the risers will fit easily into a small space for storage or transporting to and from events. No piece is over 6' long.

**6' or 12' sections

easy to set up • convenient to use • easy to transport

Popular combinations Posing Risers by GPS

6' and 12' Riser sections have a modular design, and can be combined and stacked, in 2 or 3 step sections (as high as 12 steps), to create enough space for groups as big as 1000 adults. GPS Risers utilize a Quick Clamp design for ease and efficiency that will save you time at set-up. We also offer our original Econo Wing Nut design at a discount of 20%.

Modular Stackable Choice of Rise up to 18"

11" is the standard Rise of our steps. 8, 14, 16 and 18" Rise heights are available for an additional cost of \$100 per order.

When torn down, 12' planks fold in half and the risers will fit easily into a small space for transporting to and from events. No piece is over 6' long.
